PRODUCT ANNOUNCEMENT

DISCONTINUED: SIMFLO MODEL SR8

SIMFLO has made the decision to discontinue production of the **SR8** bowl model family. This decision was made after extensive research and evaluation of the overall product. SIMFLO's process of discontinuing products includes and is not limited to the following factors:

- Overall product demand
- Current condition of pattern equipment and tooling
- Availability and performance of other products within the SIMFLO product line
- Ability to improve future product performance

Effective June 30, 2023, this bowl model has been removed from our product offerings and is no longer available. We have also removed this model from our electronic selection software.

This affects all bowl models within the **SR8** family, including the **SR8M0** and **SR8H0**.

If there are any questions, please contact your local or regional SIMFLO representative.
