EXCITING NEWS!

SIMFLO Expands with New State-of-the-Art Facility in Southaven, MS

We're thrilled to announce the opening of our brand-new, 40,500-square-foot SIMFLO facility in Southaven, Mississippi!

Why Southaven?

The greater Memphis region is a hub of growth and opportunity, and our new facility is strategically located to better serve our clients in the eastern and southern U.S.

What You Can Expect

- **Advanced Manufacturing:** This new facility will offer SIMFLO's full line of high-quality vertical and submersible turbine pumps.
- **Increased Capacity:** With expanded space and resources, we're ready to meet the growing demand for our pumps and services.
- **Faster Delivery Times:** Being closer to our customers means quicker response times and faster deliveries, helping you keep your projects on track.
- **Exceptional Service:** The new location features a dedicated team, led by general manager and industry expert Danny Dias, providing the same exceptional service and support you've come to expect from SIMFLO.
